5. **ANNUAL REPORT**

In accordance with section 317 of the Corporations Act, Shareholders will be offered the opportunity to discuss the Annual Report, including the Financial Report, the Directors' Report and the Auditor's Report. The Annual Report is available online on the Company's website at https://omnibridgeway.com/investors/annual-general-meeting. There is no requirement for Shareholders to approve the Annual Report.

6. **RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT**

6.1 **General**

In accordance with section 250R(2) of the Corporations Act, the Company must put the Remuneration Report to the vote of Shareholders. The Remuneration Report is set out in pages 37 to 46 of the Annual Report and outlines the Company's remuneration framework.

The Company's remuneration structure is designed to attract, motivate and retain highly skilled senior employees for the business to thrive and achieve its potential. The Company's variable remuneration framework was first implemented in the 2016 Financial Year and includes both short-term and long-term incentives. The LTIP and the STIP were designed to align executive reward and Shareholder value and to incentivise achievement of the Company's business strategy over the longer term.

The Company achieved total income of $286.4 million in FY21, which was second in the Group's history only to the $314.3 million of income recorded in FY20. However, following investment impairments of $120.7 million being recorded in the period, the overall result in FY21 was a statutory loss of $18.4 million. The two impaired investments are the subject of appeal and may be reversed in future periods pending the outcome of those appeals. In FY21, the business generated net cash of $192.7 million and had a strong capital position in cash and receivables of $340.3 million at 30 June 2021 sufficient to support corporate initiatives, finance operating costs and make anticipated contributions to Funds to meet new and existing investment needs.

Omni Bridgeway's key investment performance indicators were strong in FY21, with investment commitments increasing by 32% on FY20 to $412.6 million and the FY21 conversion rate of EPV (estimated portfolio value) to gross revenue was 22%, compared to a long-term average of 15%. The EPV of the investment portfolio at 30 June 2021 was $20.1 billion which was a net 27% increase over the financial year taking into account both new investments and those which completed in the period.

A summary of the components of the Company's remuneration framework is provided below. The Directors refer you to the Remuneration Report for further information.

The Chairperson will allow reasonable opportunity for Shareholders to ask questions about or comment on the Remuneration Report at the Meeting.

6.2 **Variable remuneration**

The Company's variable remuneration framework (comprising the ‘at risk’ component of remuneration) has been recently reviewed by Mercer and the Remuneration Committee to ensure that the framework and the STIP and the LTIP remain optimally aligned to the key performance drivers of the Group as Omni Bridgeway moves forward in execution of its current five year business plan. This review has resulted in some modifications to the plan for FY22 and future periods. Further details of these enhancements are set out in Section 10 of the Notice.

The STIP is linked to specific financial and non-financial measures which are reviewed on a regular basis. In light of the statutory loss in FY21, there have been no STIP payments awarded to senior employees. The LTIP complements the STIP as it is tied to the long-term performance of the Company. The LTIP is designed to directly align the interests of Shareholders and senior employees.
within the business. Performance Rights only vest if certain pre-determined performance conditions are achieved over the course of the three-year performance period. The performance conditions have been carefully devised to reward the creation of Shareholder value, motivating LTIP participants to work collectively to achieve positive results for all stakeholders.

The three-year performance assessment period for the Performance Rights issued in respect of the 2019 Financial Year ended on 30 June 2021. The performance conditions for vesting were partially satisfied, with (i) the Company ranking in the 70.00 percentile within the applicable Comparator Group for its total shareholder return and (ii) achieving a compound annual growth rate in its investment portfolio in excess of the 7% hurdle. As a result, 90% of the TSR related Performance Rights vested with the balance lapsing and 100% of the portfolio growth related Performance Rights vested. A total 2,800,372 shares were issued in satisfaction of FY21 vested Performance Rights. As noted above, the LTIP is premised upon creating an alignment of interests between Shareholders and senior employees. Over the applicable performance period, being 1 July 2018 to 30 June 2021, the Company's share price increased from $3.38 to $3.75, representing a 11% share price appreciation. By way of comparative analysis, the Company's annualised performance relative to the ASX 300 Diversified Financials is detailed below:

![Annualised Returns Chart](image)

6.3 Fixed remuneration

The LTIP and the STIP are intended to complement the fixed component of the Company's remuneration framework. The fixed remuneration component for Key Management Personnel and senior employees is reviewed periodically by the Remuneration Committee and determined having regard to the private practice professional services market within which the Company competes for talent. Investment managers are invariably at or around the partner level of legal practices prior to joining the Company.

6.4 Effect of the vote

In accordance with section 250R(3) of the Corporations Act, the vote on Resolution 1 is advisory only and does not bind the Directors or the Company. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

Shareholders will have the opportunity to remove the whole Board except the managing director if the Remuneration Report receives a 'no' vote of 25% or more (Strike) at two consecutive annual general meetings.

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting
a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Company's Remuneration Report did not receive a Strike at the 2020 annual general meeting. Please note if the Remuneration Report receives a Strike at this Meeting and if a second Strike is received at the 2022 annual general meeting, this may result in the re-election of the Board.

7. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – MICHAEL KAY

In accordance with Listing Rule 14.4, a director must not hold office (without re-election) past the third annual general meeting following the director's appointment or three years, whichever is longer.

Article 6.3 of the Constitution also states that a Director who retires under article 6.3 is eligible for re-election.

Ms Christine Feldmanis is a qualified accountant, investment, governance and risk management specialist with over 30 years’ experience in the finance and investment industry. The LTIP provides that the number of Performance Rights issued to an Eligible Participant is determined by reference to their Total Fixed Remuneration and the Company VWAP to an applicable date of either 30 June of the preceding Financial Year or 31 December of the Financial Year to which the invitation relates.

Since the prior approval of the LTIP at the general meeting held on 14 February 2020, the Board intends, subject to obtaining Shareholder approval, to make certain amendments to the LTIP Rules (LTIP Amendments).

In addition to the LTIP Amendments, the Company is also intending to issue the FY22 Performance Rights to Eligible Participants under the LTIP in the following proportions with a view to undertaking periodic reviews of this allocation:

(a) 80% of the Performance Rights issued to an Eligible Participant will be subject to a Company TSR milestone; and

(b) 20% of the Performance Rights issued to an Eligible Participant will be subject to Funds Deployed CAGR milestones.

First LTIP Amendment

The first LTIP Amendment inserts the following defined roles into the definitions of the LTIP as summarised below.

Executive Participant means a Manager Participant who is determined by the Remuneration Committee, in its discretion, to be an 'Executive Participant' for the purposes of the LTIP.

Junior Participant means an Eligible Participant who is determined by the Remuneration Committee, in its discretion, to be a 'Junior Participant' for the purposes of the LTIP.

Manager Participant means an Eligible Participant who is a member of Key Management Personnel or such other Eligible Participant determined by the Remuneration Committee, in its discretion, to be a
‘Manager' for the purposes of the LTIP which shall include any person holding any of the following offices or titles:

(a) Chief Executive Officer;
(b) Global Chief Investment Officer;
(c) Chief Financial Officer;
(d) Chief Investment Officer and/or
(e) Group General Counsel & Company Secretary.

Senior Participant means an Eligible Participant who is determined by the Remuneration Committee, in its discretion, to be a 'Senior Participant' for the purposes of the LTIP.

Second LTIP Amendment

The second LTIP Amendment amends the number of Performance Rights issued to new Eligible Participants based on a percentage of their Total Fixed Remuneration (TFR) into the following categories:

(a) Executive Participants: 100% of TFR;
(b) Senior Participants: 60% of TFR; and
(c) Junior Participants: 30% of TFR,

or such other percentages as determined by the Remuneration Committee. All existing Eligible Participants will be deemed to be Senior Participants, save for existing Executive Participants.

Third LTIP Amendment

The third LTIP Amendment amends the LTIP to include malus and clawback provisions as summarised below.

Malus

If any Participant is determined by the Remuneration Committee to have, whether alone or in conjunction with others:

(a) wilfully or deliberately engaged in conduct which:

   (i) was fraudulent or dishonest in connection to the business of a Group Company; or

   (ii) has resulted in material:

      (1) reputational damage to any Group Company; or

      (2) misstatements or omissions in the financial statements of the Company,

      save where such conduct was in compliance with the Group’s risk management processes, procedures and authorisations as in force at the applicable time;

(b) committed gross misconduct; or

(c) been convicted of an offence or has an adverse judgment entered against them in connection with the affairs of any Group Company which is of a serious nature,

(each a Malus Event), the Remuneration Committee may take any action it considers appropriate with respect to the unvested Performance Rights held by such Participant, including declaring:

(a) such Performance Rights to immediately lapse; and/or
(b) the applicable terms and conditions, including the Performance Conditions, to be amended in such manner as the Remuneration Committee may determine in its absolute discretion.

**Clawback**

The following terms apply for the purposes of the clawback provisions of the LTIP:

**Clawback Participant** means a Manager Participant, an Executive Participant or where a Participant is a Nominee and the Eligible Participant by virtue of whom such Nominee holds Performance Rights is a Manager or an Executive, that Eligible Participant.

**Clawback Period** means a period commencing on the date the applicable Clawback Participant became an Eligible Participant and ending on the earlier of (i) a Change of Control Event and (ii) the date which is 12 months from when the applicable Clawback Participant ceased to be an Eligible Participant.

**Clawback Vested Performance Rights** means any Performance Rights held by a Clawback Participant which vested in the Relevant Period.

**Relevant Period** means the period commencing on the date the Remuneration Committee determines the Clawback Event to have first commenced and ending on the expiry of the Clawback Period.

If a Clawback Participant is determined by the Remuneration Committee to have, during the Clawback Period, whether alone or in conjunction with others:

(a) wilfully or deliberately engaged in conduct which:

(i) was fraudulent or dishonest in connection to the business of a Group Company; or

(ii) has resulted in material:

(1) reputational damage to any Group Company; or

(2) misstatements or omissions in the financial statements of the Company, save where such conduct was in compliance with the Group’s risk management processes, procedures and authorisations as in force at the applicable time; or

(b) committed gross misconduct;

(each a **Clawback Event**), the Remuneration Committee may determine that:

(c) any unvested Performance Rights held by the Clawback Participant lapse;

(d) any Clawback Vested Performance Rights lapse;

(e) the Clawback Participant is required to repay the Company as a debt an amount not exceeding the higher of (i) the value of Shares issued in respect of Clawback Vested Performance Rights and (ii) the amount received by the Clawback Participant upon sale of such Shares, in both cases, after account for any tax expenses or taxes paid and any applicable costs of sale of Shares such as brokerage costs; and/or

(f) take any other action that the Remuneration Committee considers appropriate and which is agreed with the relevant Clawback Participant.

The malus and clawback provisions can apply to former Participants.

A summary of the LTIP Rules (including the LTIP Amendments) is in Schedule 2. A copy of the LTIP Rules can be obtained by contacting the Company.
The Board (excluding those Directors entitled to participate in the LTIP) recommends that Shareholders vote **IN FAVOUR of Resolution 5**.

10.2 **Listing Rule 7.1 and Listing Rules 7.2, Exception 13(b)**

Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period without shareholder approval.

Listing Rule 7.2, Exception 13(b) provides an exception to Listing Rule 7.1 by which equity securities issued under an employee incentive scheme are exempt for a period of three years from the date on which shareholders approve the issue of equity securities under the scheme as an exception to Listing Rule 7.1.

If Shareholder approval for Resolution 5 is obtained, the Company will implement the LTIP Amendments to the LTIP.

If Shareholder approval for Resolution 5 is not obtained, the Company will not proceed with implementing the LTIP Amendments to the LTIP. The Company may continue to issue equity securities pursuant to the existing LTIP terms (without the LTIP Amendments) as approved by Shareholders at the general meeting held on 14 February 2020. The Company may also seek Shareholder approval for the LTIP Amendments (as proposed or subject to amendments) at a subsequent time.

10.3 **Specific information required by Listing Rule 7.2**

In accordance with Listing Rule 7.2, Exception 13(b), the following information is provided in relation to the LTIP Amendments:

(a) The material terms of the LTIP (including the LTIP Amendments) are summarised in Schedule 2.

(b) The date of the last approval under Listing Rule 7.2, Exception 13(b) with respect to the LTIP was 14 February 2020.

(c) Since the LTIP was approved by Shareholders on 14 February 2020, a total of 9,960,360 Performance Rights have been issued to Participants under the LTIP, of which 791,721 have lapsed. None of these Performance Rights have vested or converted into Shares.

(d) The maximum number of Performance Rights proposed to be issued under the Plan following Shareholder approval is 30,000,000 Performance Rights. Absent a material change in the LTIP terms and conditions and subject to the maximum threshold, this approval will be valid for a period of three years.

(e) A voting exclusion statement is included in the Notice for Resolution 5.

11. **RESOLUTIONS 6 AND 7 – ISSUE OF PERFORMANCE RIGHTS TO ANDREW SAKER AND RAYMOND VAN HULST**

11.1 **General**

Resolutions 6 and 7 seek Shareholder approval in accordance with Listing Rule 10.14, Listing Rule 10.19 and section 200E of the Corporations Act for the grant of Performance Rights in accordance with the LTIP to Messrs Andrew Saker and Raymond van Hulst over the three year period commencing from the date of the Meeting, which will cover LTIP awards for the financial years ending on 30 June 2022 (**FY22**), 30 June 2023 (**FY23**) and 30 June 2024 (**FY24**).
Subject to Resolution 5, the LTIP was last approved by Shareholders at the general meeting of the Company held on 14 February 2020.

The formula used to calculate the number of Performance Rights to be granted to Messrs Saker and van Hulst under the LTIP will be determined by multiplying their respective Total Fixed Remuneration (being the fixed base salary plus, if applicable, superannuation but excluding any other monetary benefits including any incentive awards) by 1 (for Mr Saker), as an Executive Participant, and 0.6 (for Mr van Hulst), as a Senior Participant, and dividing the product by the Company VWAP to an applicable date of 30 June of the preceding Financial Year (Allocation Formula). The number of Performance Rights proposed to be issued to Messrs Andrew Saker and Raymond van Hulst will be calculated in accordance with this formula.

In accordance with the above formula, the number of Performance Rights that may be issued to each of Messrs Saker and van Hulst (or his nominee) in respect of FY22 is as follows:

(3) Mr van Hulst's Total Fixed Remuneration is based on an adjustment of his annual gross salary of CHF518,376 and a deduction of CHF200,000
(4) Based on CHF191,026 converted to AUD (based on an FX conversion rate of 0.69CHF).

As at the date of this Notice, it will not be possible to determine the maximum number of Performance Rights to be issued to Messrs Saker and van Hulst in respect of FY23 and FY24 because it is not possible to determine at this time the applicable Company VWAP in respect of those periods.

For the purposes of calculating the number of Performance Rights to be issued to Messrs Saker and van Hulst for FY23 and FY24, the Total Fixed Remuneration variable will be the amount based on their respective FY22 Total Fixed Remuneration (as described in the table above) and will remain unchanged in respect of FY23 and FY24. If Messrs Saker and van Hulst's Total Fixed Remuneration for any subsequent years is more than FY22, the Company will (if required) seek Shareholder approval for such number of additional Performance Rights that may be issued as a result of the increase in the Total Fixed Remuneration.

Set out below are worked examples of the number of Performance Rights that may be issued to Messrs Saker and van Hulst (or their respective nominees) per year based on hypothetical Company VWAP prices of $3.50, $4.00 and $4.50 and the dilutionary effect on Shareholders based on the following assumptions:

- Performance Rights are issued based on the assumed VWAP and foreign exchange rate;
- the maximum number of Performance Rights are taken up by the Participant;
- the vesting conditions under the LTIP are met in full and all of the Performance Rights vest and the Participant exercises those Performance Rights;
- dilution effect calculations are based on 264,980,845 being the current number of shares on issue as at 11 October 2021; and
- no further Shares are issued.

3. Subject to rounding. FX adjustments at vesting in accordance with the LTIP Rules and any applicable deductions for tax if required.

Vesting of Performance Rights is variable dependant on performance against the Company's TSR and Funds Deployed CAGR over a three-year period. See paragraph 7 of Schedule 2 for further details on the vesting of Performance Rights.

The LTIP Rules provide the Remuneration Committee with the discretion to permit, in circumstances where the Participant is a 'good leaver', up to a pro rata number (based on the proportion of the relevant Performance Period completed) of such Participant’s unvested Performance Rights to vest or continue to be held by the Participant *(Potential Retirement Benefits)*.

The Board considers that the grant of Performance Rights to Messrs Saker and van Hulst in accordance with the LTIP is a cost effective and efficient reward for the Company to make to appropriately incentivise their respective continued performance and is consistent with the strategic goals and targets of the Company.

A summary of the LTIP Rules is in Schedule 2. A copy of the LTIP Rules can be obtained by contacting the Company.

The Chairperson intends to exercise all available proxies in favour of Resolutions 6 and 7.
The Directors (excluding Messrs Andrew Saker and Raymond van Hulst) recommend that Shareholders vote IN FAVOUR of Resolutions 6 and 7.

11.2 Chapter 2E of Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

(a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and

(b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of Performance Rights constitutes giving a financial benefit as Messrs Saker and van Hulst are related parties of the Company by reason of being Directors of the Company.

The Board has considered the application of Chapter 2E of the Corporations Act and has resolved that the reasonable remuneration exception provided by section 211 of the Corporations Act is relevant in the circumstances and accordingly, the Company will not seek approval for the issue of the Performance Rights pursuant to section 208 of the Corporations Act.

11.3 Section 200B of Corporations Act

The Corporations Act restricts the benefits which can be given to individuals who hold a managerial or executive office (as defined in the Corporations Act) in connection with the retirement from their position of employment in the company or its related bodies corporate. A person who holds a managerial or executive office includes a member of Key Management Personnel. Messrs Saker and van Hulst are part of the Company's Key Management Personnel.

In accordance with section 200B of the Corporations Act, to give a benefit in connection with a person's retirement from an office, the Company must obtain the approval of Shareholders in the manner set out in section 200E of the Corporations Act.

A benefit includes automatic, or accelerated, vesting of share-based payments for a person or the exercise of discretion to allow a person to maintain a benefit they would not otherwise be entitled to retain, on, or as a result of, retirement from their position of employment in the company.

The Board has formed the view that the Potential Retirement Benefits may constitute a benefit for the purposes of section 200B of the Corporations Act.

Accordingly, Resolutions 6 and 7 seek Shareholder approval for the purposes of section 200E for Potential Retirement Benefits which may arise in relation to any Performance Rights issued to Messrs Saker and van Hulst in respect of the 2021 Financial Year.

11.4 Specific information required by section 200E of the Corporations Act

Information must be provided to Shareholders for the purposes of obtaining Shareholder approval as follows:

(a) The value of the benefit relating to any Performance Rights held by Messrs Saker and van Hulst may arise in connection with his retirement from a managerial or executive office cannot presently be ascertained. However, matters, events and circumstances that will, or are likely to, affect the calculation of that value include:

(i) the number of Performance Rights held prior to ceasing employment;
(ii) the circumstances of or reasons for ceasing employment with the Company;

(iii) the length of service with the Company and performance over that period of time;

(iv) any other factors that the Remuneration Committee determines to be relevant when exercising its discretion to provide Potential Retirement Benefits to Messrs Saker and van Hulst;

(v) the market price of the Company’s Shares on ASX at the relevant time; and

(vi) the risk free rate of return in Australia and the estimated volatility of the Company’s Shares on ASX at the relevant time.

(b) The Company will calculate the value of the benefit at the relevant time based on the above factors and using the Black Scholes and Monte Carlo pricing models to value the Performance Rights.

11.5 Listing Rule 10.19

Listing Rule 10.19 provides that without the approval of shareholders, an entity must ensure that no officer of the entity or any of its child entities will be, or may be, entitled to termination benefits if the value of those benefits and the termination benefits that may become payable to all officers together exceed 5% of the equity interests of the entity as set out in the latest accounts given to ASX under the Listing Rules.

The Company is also seeking Shareholder approval for the purposes of Listing Rule 10.19. The value of the termination benefit payable to Messrs Saker and van Hulst depends on a number of factors, including the Remuneration Committee exercising its discretion under the LTIP to allow the provision of Potential Retirement Benefits. It also depends on the value of the Company’s equity interests which vary over time. Accordingly, it is possible that the provision of the benefit associated with the acceleration of the vesting of Performance Rights may exceed 5% of the equity interests of the Company at the relevant time.

11.6 Listing Rule 10.14

Listing Rule 10.14 requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities under an employee incentive scheme to a director of the entity, an associate of the director, or a person whose relationship with the entity, director or associate of the director is, in ASX’s opinion, such that approval should be obtained.

Approval pursuant to Listing Rule 7.1 is not required in order to issue the Performance Rights to Messrs Saker and van Hulst as approval is being obtained under Listing Rule 10.14. Accordingly, the issue of the Performance Rights to Messrs Saker and van Hulst will not be included in the 15% calculation of the Company’s annual placement capacity pursuant to Listing Rule 7.1.

Resolutions 6 and 7 are being put to Shareholders to seek approval for the issue of Performance Rights to Messrs Saker and van Hulst pursuant to Listing Rule 10.14.

If Shareholder approval for Resolution 6 is obtained, the Company will be permitted to issue Performance Rights to Mr Andrew Saker for the financial years ending on 30 June 2022 (FY22), 30 June 2023 (FY23) and 30 June 2024 (FY24) under the LTIP.

If Shareholder approval for Resolution 6 is not obtained, the Company will not issue Performance Rights to Mr Andrew Saker for the financial years ending on 30 June 2022 (FY22), 30 June 2023 (FY23) and 30 June 2024 (FY24) under the LTIP.

If Shareholder approval for Resolution 7 is obtained, the Company will be permitted to issue Performance Rights to Mr Raymond van Hulst for the financial years ending on 30 June 2022 (FY22), 30 June 2023 (FY23) and 30 June 2024 (FY24) under the LTIP.
If Shareholder approval for Resolution 7 is not obtained, the Company will not issue Performance Rights to Mr Raymond van Hulst for the financial years ending on 30 June 2022 (FY22), 30 June 2023 (FY23) and 30 June 2024 (FY24) under the LTIP.

11.7 Specific information required by Listing Rule 10.15

(a) Subject to the terms of the LTIP, Performance Rights will be granted to Messrs Saker and van Hulst (or their respective nominees, as applicable), who are Directors of the Company, falling within the category of Listing Rule 10.14.1.

(b) Pursuant to the current terms of the LTIP, the maximum number of Performance Rights Messrs Saker and van Hulst may be invited to apply for and which may be issued is determined by dividing their Total Fixed Remuneration (being the fixed base salary plus, if applicable, superannuation but excluding any other monetary benefits including any incentive awards) by 1 (for Mr Saker) and 0.6 (for Mr van Hulst) and dividing the product by the Company VWAP to an applicable date of 30 June of the preceding Financial Year, as determined in accordance with the LTIP rules.

The number of Performance Rights that may be issued to Messrs Saker and van Hulst in respect of FY22 is set out in Table A at Section 11.1. At the date of the Notice, the number of Performance Rights that may be issued for FY23 and FY24 cannot be calculated at the date of this Notice because the Company VWAP in respect of those years will not be known until the conclusion of the of the relevant Financial Years or Half Financial Years (as applicable). The Total Fixed Remuneration variable will remain unchanged from the figures provided in Table A at Section 11.1 for the purpose of calculating the number of Performance Rights to be issued to Messrs Saker and van Hulst in respect of FY23 and FY24.

(c) The current total remuneration package Messrs Saker and van Hulst are entitled to in respect of FY22 is set out in Table A at Section 11.1.

(d) Mr Saker has previously been granted a total of 2,547,711 Performance Rights under the LTIP and Mr van Hulst has previously been granted 92,652 Performance Rights under the LTIP.

(e) The summary of the terms of the Performance Rights and the LTIP Rules are contained in Schedule 2.

(f) The Board considers that the grant of Performance Rights to Messrs Saker and van Hulst in accordance with the LTIP is a cost effective and efficient reward for the Company to make to appropriately incentivise their continued performance and is consistent with the strategic goals and targets of the Company. The value of the Performance Rights issued to Messrs Saker and van Hulst is equal to the VWAP of the Company’s Shares at the time of issue multiplied by the number of Performance Rights issued (without any discount being applied for time or the uncertainty of whether the relevant Performance Conditions are satisfied).

(g) The Company will grant the Performance Rights to Messrs Saker and van Hulst no later than three years after the date of the Meeting or such longer period of time as ASX allows.

(h) Subject to the terms of the LTIP, the Performance Rights to be issued to Messrs Saker and van Hulst will be granted for no consideration. The Performance Rights to be issued to Messrs Saker and van Hulst will have no exercise price.

(i) No loan will be made to Messrs Saker and van Hulst in relation to the acquisition of Performance Rights or Shares under the LTIP.

(j) Each annual report of the Company relating to a period in which Performance Rights or Shares have been issued to, or acquired by, a Director, an associate of a Director or other person referred to in Listing Rule 10.14 under the LTIP will include:

(i) details of any such issue or acquisition; and
a statement that approval for the issue or acquisition of those Performance Rights or Shares to those persons was obtained under Listing Rule 10.14.

12. RESOLUTION 8 – APPROVAL OF INDEMNIFIED PERSONS’ DEEDS OF INDEMNITY, INSURANCE AND ACCESS

12.1 General

Each Indemnified Person has entered into a deed of indemnity, insurance and access with the Company (Deed of Indemnity, Insurance and Access) prior to the Meeting.

It is generally recognised that an officer or former officer of a company may face considerable difficulty in properly answering or defending any claim made against him or her, particularly, as is often the case, the claim is brought after the officer ceases to hold office. Difficulties may arise by reason of the following:

(a) No indemnity after cessation of Office

While a company's constitution provides officers with an indemnity in respect of claims made while they hold office, the indemnity arguably ceases if they cease to hold office and does not extend to cover roles as an officer of a body corporate associated with the company. Without the benefit of an indemnity, the cost of defending such a claim in respect of the actions of an officer or former officer, even if the claim is ultimately proven to be without merit, can be considerable and beyond the financial resources of the individual officer.

(b) Maintenance of insurance policies

Officers' insurance policies generally only provide cover for claims made during the currency of the insurance policy. Generally, unless insurance premiums continue to be paid after the time the officer ceases to hold office, claims made after cessation of office will not be covered by the insurance policy. The cost to a former officer of personally maintaining insurance cover after ceasing to hold office can be prohibitive, particularly given the number of years for which insurance must be maintained and given the former officer is unlikely to be receiving income from the company.

(c) Access to Board papers

In accordance with section 198F of the Corporations Act, officers have a right to inspect the books of the Company:

(i) whilst they hold office; and

(ii) for seven years after ceasing to hold office,

at all reasonable times for the purposes of a legal proceeding to which the officer is a party, that the officer proposes in good faith to bring or that the officer has reason to believe will be brought against him or her.

Despite this statutory right, officers may require access to company documents which are relevant to the officer's office and not strictly required for the purpose of anticipated, threatened or commenced legal proceedings. Furthermore, although a proceeding may be instituted within six years after a cause of action arises, that six-year period is calculated from
the date the damage is found to have occurred – this may be long after the conduct which allegedly caused the damage occurred.

Given these difficulties, a person may be unwilling to become or to remain as an officer of a company without suitable protection being provided by the company. The benefit to such company in providing such protection is that it will continue to be able to attract persons of suitable expertise and experience to act as officers.

The Directors of the Company each of whom has no interest in the outcome of Resolution 8, recommends Shareholders vote in favour of Resolution 8 as they consider, given the duties and responsibilities of each Indemnified Person, they should be suitably protected from certain claims made against them in relation to the period of their office.

12.2 Summary of the Deed of Indemnity, Insurance and Access

The Company has entered into Deeds of Indemnity, Insurance and Access which require:

(a) the Company to indemnify each Indemnified Person during their Office and after the cessation of that Office, in respect of certain claims made against that Indemnified Person in relation to the period of their Office to the extent allowable under the Corporations Act;

(b) the Company to use its reasonable endeavours (subject to cost and availability) to maintain an insurance policy and pay the premiums of insurance as assessed at market rates for each Indemnified Person to the extent available under the Corporations Act, in respect of certain claims made against him or her in relation to the period of his or her Office (except to the extent such insurance cannot be procured at a reasonable cost or is otherwise unavailable to the Company) and to continue to pay those premiums for a period of up to seven years following the termination of their Office; and

(c) the Company to provide each Indemnified Person with access, upon ceasing to hold Office and for a period of up to seven years following that cessation, to any Group entity records which are either prepared by or provided to the Indemnified Person during the Retention Period.

12.3 Summary of indemnity and insurance provisions in the Corporations Act

In considering Resolution 8, please note the following limitations in the Corporations Act concerning the provision of indemnities and insurance to company officers. The Deeds of Indemnity, Insurance and Access for which Shareholder approval is sought under Resolution 8 comply with these limitations.

(a) Section 199A of the Corporations Act

The Corporations Act sets out specific prohibitions to the Company's ability to grant indemnities for liabilities and legal costs.

The Company is prohibited from indemnifying its Officers against a liability if it is a liability:

(i) to the Company and any of its related bodies corporate;

(ii) to a third party that arose out of conduct involving a lack of good faith; or

(iii) for a pecuniary penalty order or a compensation order under the Corporations Act (such orders being made for breaches such as breaches of officer’s duties, the related party rules and insolvent trading rules).

The Company is also prohibited from indemnifying its Officers against legal costs incurred:

(i) in defending actions where an officer is found liable for a matter for which he or she cannot be indemnified by the Company as set out immediately above;
(ii) in defending criminal proceedings where the Officer is found guilty;

(iii) in defending proceedings brought by the Australian Securities and Investments Commission or a liquidator for a court order if the grounds for making the order are found by the court to be established; or

(iv) in connection with proceedings for relief to the officer under the Corporations Act where the court denies the relief.

(b) Section 199B of the Corporations Act

If the Company, or a related body corporate of the Company, pays the premium on an insurance policy in favour of an Officer, section 199B of the Corporations Act requires the Company to ensure that the relevant contract of insurance does not cover liabilities incurred by the Officer arising out of conduct involving either:

(i) a wilful breach of duty in relation to the Company; or

(ii) contravention of the provisions relating to an Officer making improper use of information or improper use of his or her position for his or her advantage or gain, or to the detriment of the Company.

12.4 Shareholder approval

Resolution 8 seeks Shareholder approval in accordance with the following provisions of the Corporations Act:

(a) Section 200B of the Corporations Act

In accordance with section 200B of the Corporations Act, to give a benefit in connection with a person's retirement from an office, the Company must obtain shareholder approval in the manner set out in section 200E of the Corporations Act.

The Board considers that as the:

(i) proposed payment of insurance premiums;

(ii) benefit of the indemnity in relation to liabilities incurred during the period an Officer holds Office; and

(iii) Officer's access to Group entity records,

continue for a period of up to seven years after the Officer ceases to hold Office, each may be viewed as the provision of a benefit given "in connection with" the officer's retirement for the purposes of section 200B of the Corporations Act.

(b) Recommendation

The Directors (other than the Indemnified Persons) recommend that Shareholders vote IN FAVOUR of Resolution 8.

Neither the Directors nor the Company are aware of any other information that would be reasonably required by Shareholders to make a decision in relation to the benefits contemplated by this Resolution.

16. **Change of Control**: All unvested Performance Rights automatically vest where one of the following events has occurred or, in the opinion of the Board, will occur:

(a) the Company announces that its shareholders have at a Court convened meeting of shareholders voted in favour, by the necessary majority, of a proposed scheme of arrangement (excluding a merger by way of scheme of arrangement for the purposes of a corporate restructure (including change of domicile, consolidation, sub-division, reduction or return) of the issued capital of the Company) and the Court, by order, approves the scheme of arrangement;

(b) a Takeover Bid:

   (i) is announced;

   (ii) has become unconditional; and

   (iii) the person making the Takeover Bid has a Relevant Interest in 50% or more of the Shares; or

(c) any person acquires a Relevant Interest in 50.1% or more of the Shares by any other means.

17. **Adjustment for bonus issues**: If Shares are issued pro rata to the Company’s shareholders generally by way of bonus issue, the number of Performance Rights to which each Participant is entitled shall be increased by that number of securities which the Participant would have been issued if the
Performance Rights then held by the Participant were excised immediately prior to the record date of the bonus issue.

18. **Pro rata issues**: If during the term of any Performance Right, the Company makes a pro rata issue of securities to the Company’s shareholders by way of a rights issue, a Participant shall not be entitled to participate in the rights issue in respect of any Performance Rights. A Participant will not be entitled to any adjustment to the number of Shares issued under the LTIP that he or she is entitled to or adjustment to any Performance Condition which is based, in whole or part, on the Company’s share price, as a result of the Company undertaking a rights issue.

19. **Adjustment for reconstruction**: In the event of any reconstruction (including consolidation, subdivision, reduction or return) of the issued capital of the Company, the number of Performance Rights to which each Participant is entitled shall be reconstructed (as appropriate) in accordance with the Listing Rules and in a manner determined by the Board to ensure that no advantage or disadvantage accrues to the Participant as a result of such corporate actions.

20. **Hedging transactions**: Participants are prohibited from entering into any transactions (whether through the use of derivatives or otherwise) which seek to mitigate any economic risk or exposure in relation to any Performance Rights, including, without limitation, entering into a put option (or similar transaction) in respect of Shares which may become issued pursuant to Performance Rights to mitigate the risk of a change in the price of the Shares between the date of the put option and the date the Shares may become issued.

21. **Amendments**: Subject to the LTIP and the Listing Rules, the Board may from time to time amend or supplement the LTIP rules in any respect. However, in respect of an issued Performance Right no amendment made to the terms and conditions of the LTIP or the Performance Rights shall bind a Participant in respect of such Performance Rights unless such amendment:

   (a) is consented to in writing by a Participant; or

   (b) is introduced for complying with, or conforming to, the Listing Rules, or State or Commonwealth legislation governing or regulating the maintenance or operation of the LTIP or similar plans.

How to Vote on Resolutions
All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each Resolution. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on a Resolution your vote will be invalid on that Resolution.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.
