2. As stated in our announcement of 17 May 2012, IMF has taken the policy position not to disclose specific details about Bentham’s investments other than to describe them in a general manner until after resolution of each case.
3. This matter involves the funding of a patent infringement case that is being pursued in a U.S. Federal Court.
4. IMF will include the claim value of this case in its Quarterly Investment Portfolio Reports as they are published.
