4 RESOLUTION 1 – ADOPTION OF THE REMUNERATION REPORT

4.1 General

In accordance with section 250R(2) of the Corporations Act, the Company must put the Remuneration Report to the vote of Shareholders. The Remuneration Report is set out in pages 35 to 44 of the Annual Report and outlines the Company's remuneration framework.

The Company's remuneration structure is designed to attract, motivate and retain highly skilled senior employees and is comprised of both fixed and variable ‘at-risk' components. The Company's variable remuneration framework was first implemented in the 2016 Financial Year and includes short-term and long-term incentives. The foundations of the STIP and LTIP have remained constant, whilst the performance hurdles and other elements have evolved with the business to ensure executive reward and Shareholder value remain closely aligned and employees are incentivised to achieve the Company's business strategy over the longer term.

The Company's key investment growth metrics were strong in the 2023 Financial Year, with investment commitments increasing by 17% to A$544.2 million which resulted in a net 12% growth in EPV to A$30.5 billion. This takes into account both new investments and those which completed in the period.

A summary of the components of the Company's remuneration framework is provided below. The Directors refer you to the Remuneration Report for further information.

The Chairperson will allow reasonable opportunity for Shareholders to ask questions about or comment on the Remuneration Report at the Meeting.

4.2 Variable Remuneration

The Company's STIP provides for an annual cash payment, subject to the achievement of key financial and non-financial performance objectives which are measured over the prior Financial Year. In light of the statutory loss in the 2023 Financial Year, there have been no STIP payments awarded to senior employees.

The LTIP provides for an annual grant of equity-based Performance Rights which only vest if certain pre-determined performance conditions are achieved over a three-year performance period. The relevant metrics for the Performance Rights due for performance assessment at the end of the 2023
Financial Year were 50% weighted to the Company's relative Total Shareholder Return (TSR) and 50% weighted to the Compound Annual Growth Rate (CAGR) of the investment asset balance. As the TSR performance hurdle between 1 July 2020 and 30 June 2023 was not satisfied, none of the TSR tranche of Performance Rights vested. The investment asset CAGR hurdle was satisfied so 50% of this series of Performance Rights vested.

Following a review of the remuneration framework in 2021, the Board determined to increase the TSR weighting in the LTIP vesting conditions to 80% and reduce the weighting of the investment asset CAGR to 20%. This reflects the Company's focus on profitable growth rather than simply growth in the asset base. In addition, forfeiture and clawback provisions were incorporated into the LTIP rules which maintain alignment of Shareholder and employee's interests beyond vesting.

In the last three Financial Years, the aggregate number of LTIP Performance Rights that have vested is 7,350,173 (representing around 2.6% of issued shares).

4.3 Fixed Remuneration

The LTIP and the STIP are intended to complement the fixed component of the Company's remuneration framework. The fixed remuneration component for Key Management Personnel and senior employees is reviewed periodically by the Remuneration Committee and determined having regard to the private practice professional services market within which the Company competes for talent. Investment managers are invariably at or around the partner level of legal practices prior to joining the Company.

4.4 Effect of the vote

In accordance with section 250R(3) of the Corporations Act, the vote on Resolution 1 is advisory only and does not bind the Directors or the Company. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

Shareholders will have the opportunity to remove the whole Board except the Managing Director if the Remuneration Report receives a 'no' vote of 25% or more (Strike) at two consecutive annual general meetings.

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the Managing Director) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Remuneration Report did not receive a Strike at the 2022 annual general meeting. Please note if the Remuneration Report receives a Strike at the Meeting and if a second Strike is received at the 2024 annual general meeting, this may result in the re-election of the Board.

The Chairperson will allow reasonable opportunity for Shareholders to ask questions about or comment on the Remuneration Report.

Resolution 1 is an ordinary resolution.

The Chairperson intends to exercise all available proxies in favour of Resolution 1.

If the Chairperson is appointed as your proxy and you have not specified the way the Chairperson is to vote on Resolution 1, by signing and returning the Proxy Form, you are considered to have provided the Chairperson with an express authorisation for the Chairperson to vote the proxy in accordance with the Chairperson's intention, even though Resolution 1 is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.
5.1 General

The Board welcomed Mr Michael Green to join the Board as a non-executive director with effect from 28 April 2023.

This appointment is in line with the Company's stated objective of Board renewal and adds considerable northern hemisphere experience to the Board reflecting the Company's significant and growing operations in that region.

Mr Green has more than 30 years' experience in the international financial services sector, including asset management, pension fund management, product management, business integration and transformation, risk management, sales, and business development.

Mr Green is currently the Chair and Independent Trustee of Lloyd's of London Pension Scheme and an Independent Non-Executive Member of the Investment Oversight Committee at London LGPS CIV Ltd which manages London Local Government Pension Scheme Ltd assets.

During his executive career, Mr Green was formerly the International CEO for two American owned asset management firms, American Century Investments (ACI) from 2008 to 2018 and Morgan Stanley Investment Management from 2002 to 2007.

At ACI, Mr Green was their first non-US based employee, building an institutionally focused US$16 billion assets under management business.

In accordance with Listing Rule 14.4, a director appointed to fill a casual vacancy or as an addition to the Board must not hold office (without re-election) past the next annual general meeting of the entity.

Article 6.2(b) of the Constitution allows the Directors to appoint a person as a Director at any time, provided that the total number of Directors does not at any time exceed the maximum number specified by the Constitution. Mr Green was appointed by the Board as an additional Director on 28 April 2023.

Article 6.3(j) provides that a Director appointed under article 6.2(b) must retire at the Company's annual general meeting and is eligible for re-election.

Resolution 2 therefore provides that Mr Green retires from office and seeks re-election as a Director pursuant to article 6.3(j) of the Constitution.

If Resolution 2 is passed, Mr Green will be a Director of the Company for the next three years.

If Resolution 2 is not passed, Mr Green will cease to be a Director of the Company.

Resolution 2 is an ordinary resolution.

The Chairperson intends to exercise all available proxies in favour of Resolution 2.

5.2 Board Recommendation

The Board (excluding Mr Green) supports the re-election of Mr Green and recommends that Shareholders vote in favour of Resolution 2.
6 RESOLUTION 3 – RE-ELECTION OF MR RAYMOND VAN HULST AS A DIRECTOR

6.1 Background

In accordance with Listing Rule 14.5, an entity which has directors must hold an election of directors at each annual general meeting.

Article 6.3(c) of the Constitution requires one third of all Directors, or if their number is not a multiple of three, then the number nearest one-third (rounded down to the nearest whole number) to retire at each annual general meeting. Article 6.3(f) of the Constitution states that a Director who retires under article 6.3 is eligible for re-election.

On 23 February 2023, the Company announced that Mr Raymond van Hulst, Executive Director, Managing Director and Co-Chief Investment Officer of EMEA, will be appointed Chief Executive Officer (CEO) upon Mr Andrew Saker’s retirement at the end of the Meeting.

Since the acquisition of Omni Bridgeway Holding B.V in 2019, Mr van Hulst has been both an executive director of Omni Bridgeway and Chief Investment Officer of EMEA, focusing on the globalisation of the enforcement investment strategy and the integration of the businesses.

Mr van Hulst’s succession to CEO has been a focus of the Company’s succession planning and talent management. Mr van Hulst is one of the most experienced executives and highly regarded within the global legal risk asset management industry, having been a key member of the legacy Omni Bridgeway team for over twenty years. His experience will provide business continuity and a smooth transition.

Before joining Omni Bridgeway, Mr van Hulst was with ABN AMRO Bank Structured Finance, based out of India and Europe.

During the past three years he has not served as a director of any listed company other than Omni Bridgeway Limited.

Mr van Hulst holds an MBA from INSEAD and a Masters’ Degree in Management (University of Groningen, the Netherlands).

Resolution 3 provides that Mr van Hulst retires by rotation and seeks re-election as a Director.

If Resolution 3 is passed, Mr van Hulst will be a Director of the Company for the next three years.

If Resolution 3 is not passed, Mr van Hulst will cease to be a Director of the Company.

Resolution 3 is an ordinary resolution.

The Chairperson intends to exercise all available proxies in favour of Resolution 3.

6.2 Board Recommendation

The Board (excluding Mr van Hulst) supports the re-election of Mr van Hulst and recommends that Shareholders vote in favour of Resolution 3.
7 RESOLUTION 4 – APPROVAL OF INDEMNIFIED PERSONS’ DEEDS OF INDEMNITY, INSURANCE AND ACCESS

7.1 General

Each of the persons listed in Schedule 2 (Indemnified Persons) are senior employees who have entered into a deed of indemnity, insurance and access with the Company (Deed of Indemnity, Insurance and Access) prior to the Meeting.

It is generally recognised that an officer or former officer of a company may face considerable difficulty in properly answering or defending any claim made against them, particularly, as is often the case, where the claim is brought after the person ceases to hold office. Difficulties may arise by reason of the following:

(a) **No indemnity after cessation of Office**

While a company’s constitution provides officers with an indemnity in respect of claims made while they hold office, the indemnity arguably ceases if they cease to hold office and does not extend to cover roles as an officer of a body corporate associated with the company. Without the benefit of an indemnity, the cost of defending such a claim in respect of the actions of an officer or former officer, even if the claim is ultimately proven to be without merit, can be considerable and beyond the financial resources of the individual officer.

(b) **Maintenance of insurance policies**

Officers’ insurance policies generally only provide cover for claims made during the currency of the insurance policy. Generally, unless insurance premiums continue to be paid after the time the officer ceases to hold office, claims made after cessation of office will not be covered by the insurance policy. The cost to a former officer of personally maintaining insurance cover after ceasing to hold office can be prohibitive, particularly given the number of years for which insurance must be maintained and given the former officer is unlikely to be receiving income from the company.

(c) **Access to Board papers**

In accordance with section 198F of the Corporations Act, officers have a right to inspect the books of the company:

(i) whilst they hold office; and

(ii) for seven years after ceasing to hold office,

at all reasonable times for the purposes of a legal proceeding to which the person is a party, that the person proposes in good faith to bring or that the person has reason to believe will be brought against them.

Despite this statutory right, officers may require access to company documents which are relevant to the officer’s office and not strictly required for the purpose of anticipated, threatened or commenced legal proceedings. Furthermore, although a proceeding may be instituted within six years after a cause of action arises, that six-year period is calculated from the date the damage is found to have occurred – this may be long after the conduct which allegedly caused the damage occurred.

Given these difficulties, a person may be unwilling to become or to remain as an officer of a company without suitable protection being provided by the company. The benefit to such company in providing such protection is that it will continue to be able to attract persons of suitable expertise and experience to act as officers.

The Chairperson intends to exercise all available proxies in favour of Resolution 4.
7.2 Summary of the Deed of Indemnity, Insurance and Access

The Company has entered into Deeds of Indemnity, Insurance and Access, which require:

(a) the Company to indemnify the Indemnified Persons during their Office and after the cessation of that Office, in respect of certain claims made against the Indemnified Persons in relation to the period of their Office to the extent allowable under the Corporations Act;

(b) the Company to use its reasonable endeavours (subject to cost and availability) to maintain an insurance policy and pay the premiums of insurance as assessed at market rates for each Indemnified Person to the extent available under the Corporations Act, in respect of certain claims made against him or her in relation to the period of his or her Office (except to the extent such insurance cannot be procured at a reasonable cost or is otherwise unavailable to the Company) and to continue to pay those premiums for a period of up to seven years following the termination of their Office; and

(c) the Company to provide each Indemnified Person with access, upon ceasing to hold Office and for a period of up to seven years following that cessation, to any Group Company records which are either prepared by or provided to the Indemnified Person during the period which the person held Office.

7.3 Summary of indemnity and insurance provisions in the Corporations Act

In considering Resolution 4, please note the following limitations in the Corporations Act concerning the provision of indemnities and insurance to Company officers. The Deeds of Indemnity, Insurance and Access for which Shareholder approval is sought under Resolution 4 complies with these limitations.

(a) Section 199A of the Corporations Act

The Corporations Act sets out specific prohibitions to the Company’s ability to grant indemnities for liabilities and legal costs.

The Company is prohibited from indemnifying its officers against a liability if it is a liability:

(i) to the Company and any of its related bodies corporate;

(ii) to a third party that arose out of conduct involving a lack of good faith; or

(iii) for a pecuniary penalty order or a compensation order under the Corporations Act (such orders being made for breaches such as breaches of director’s duties, the related party rules and insolvent trading rules).

The Company is also prohibited from indemnifying its officers against legal costs incurred:

(i) in defending actions where an officer is found liable for a matter for which they cannot be indemnified by the Company as set out immediately above;

(ii) in defending criminal proceedings where the officer is found guilty;

(iii) in defending proceedings brought by the ASIC or a liquidator for a court order if the grounds for making the order are found by the court to be established; or

(iv) in connection with proceedings for relief to the director under the Corporations Act where the court denies the relief.
(b) **Section 199B of the Corporations Act**

If the Company, or a related body corporate of the Company, pays the premium on an insurance policy in favour of a Director, section 199B of the Corporations Act requires the Company to ensure that the relevant contract of insurance does not cover liabilities incurred by the officer arising out of conduct involving either:

(i) a wilful breach of duty in relation to the Company; or

(ii) contravention of the provisions relating to an officer making improper use of information or improper use of their position for their advantage or gain, or to the detriment of the Company.

7.4 **Section 200B of the Corporations Act**

In accordance with section 200B of the Corporations Act, to give a benefit in connection with a person's retirement from an office, the Company must obtain Shareholder approval in the manner set out in section 200E of the Corporations Act.

The Directors consider that as the:

(a) proposed payment of insurance premiums;

(b) benefit of the indemnity in relation to liabilities incurred during the period an Officer holds office; and

(c) Officer's access to Group entity records,

continue for a period of up to seven years after the Officer ceases to hold Office, each may be viewed as the provision of a benefit given "in connection with" the officer's retirement for the purposes of section 200B of the Corporations Act.

7.5 **Board Recommendation**

The Board recommends that Shareholders vote in favour of Resolution 4. Neither the Directors nor the Company are aware of any other information that would be reasonably required by Shareholders to make a decision in relation to the benefits contemplated by Resolution 4.

How to Vote on Items of Business
All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY
Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS
Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held.
