Application of Policy: Global
This Policy sets out the process that is followed by all Personnel and every member of the Group when addressing complaints from our clients or other people. Where the Group operates in an overseas jurisdiction that imposes a higher standard, or a member of the Group has adopted its own policy which adopts a higher standard. Those local standards or the local policy are deemed to be incorporated into and supplement this Policy and in the event of a conflict supersede this Policy.

Definitions: Capitalised terms used throughout this Policy are defined in paragraph 6

1. Overview

The Group is committed to taking all feedback, in particular all complaints that we receive, seriously. We believe that dealing appropriately with a complaint provides an opportunity for us to improve our services and preserve our good reputation.

The purpose of this Policy is to demonstrate our commitment to resolving complaints, and to outline how clients and other interested parties can bring their concerns to our attention.

The Group has designed a complaints handling process that aims to:

(a) increase the level of satisfaction with the delivery of our services;
(b) provide an efficient, fair and accessible mechanism for resolving complaints;
(c) provide information on the Group’s complaints handling process; and
(d) monitor complaints to improve the quality of the services provided by the Group.

2. How to make a complaint

2.2. Email

Email details of your complaint addressed to the regional Complaints Officer (Appendix 1) at: complaints@omnibridgeway.com.

2.3. Complaint Details

To help us investigate and resolve your complaint effectively, please provide the following information with your complaint:

(a) your full name, address and contact phone number(s);
(b) your claimant ID number and the matter you are involved in (if applicable);
(c) a description of your complaint;
(d) any additional documentation or information that may support your complaint and assist us to resolve it; and
(e) how you would like your complaint to be resolved.

3. Complaints handling process

If your complaint cannot be resolved at first contact, we will aim to acknowledge your request immediately, or if this is not possible as soon as practicable after receipt of the complaint.

We will also keep you updated throughout the resolution process.

We endeavor to resolve all complaints within 30 days.

If you are dissatisfied with the process we have taken to resolve your complaint or with the result of our investigation, please let us know and we will undertake a further review of your concerns.

If you are still dissatisfied with the outcome, you may be able to refer your complaint to an independent alternative dispute resolution process available for your country of residence once you have been through our internal complaint process. We will let you know how you may do this and whether other options are available when we provide our final response to you.

4. Training and Monitoring

The Group will provide initial training in relation to the Policy and thereafter on a periodic basis. The Group will put in place compliance and monitoring programs to review the Group’s compliance with the requirements of the Policy.

5. Review and Amendment of this Policy

This Policy will be reviewed periodically by the Board to check that it is operating efficiently and whether any changes are required.

Any amendments to this Policy, other than updates for changes in the Company’s
