

Notes to Investment Portfolio Quarterly Reports

General

The financial data included in the Investment Portfolio Quarterly Reports (Reports) is unaudited. Neither the Reports in their aggregate form nor any of their component information, whether in combination or otherwise, comprise earnings guidance for the Omni Bridgeway Limited (Omni Bridgeway) or the group for current or future financial periods.

The Investment Portfolio Quarterly Reports are for the use of Omni Bridgeway's public shareholders and are not an offering of any private fund.

Terms used in these notes which are not expressly defined have the definitions provided in the Omni Bridgeway Glossary available at <https://omnibrigeway.com/investors/omni-bridgeway-glossary>.

All figures in the Reports are in Australian dollars (AUD, A\$) unless otherwise stated.

The EPV for investments which are the subject of conditional settlements or appealable judgments or which are impaired, remain included in the portfolio until they become unconditional completions. The EPV of any impaired investment reflects consideration of the impairment and view of ultimate value.

The adoption of an EPV for the investments of the OBE Group remains relatively new and subject to ongoing integration, it is likely that it will be refined over time. The Reports all report on capital invested.

Accounting consolidation of investments and investment vehicles

Funds 1, 2&3, and the investments of Funds 4 and 6 are consolidated within the group financial statements, with the respective external investors' interests reflected as Non-Controlling interests. Fund 5 and Fund 7 are not consolidated within the group financial statements and are disclosed at 100% in the Reports.

Regardless of consolidation, the entirety of all investments, including the proportionate share of external Fund investors, are included in the Reports.

Where investments are co-funded with an entity which is not affiliated with the Omni Bridgeway Group, the co-funded proportion of the applicable investment is excluded from the Reports.

Investments included in portfolio

Funded investments referred to in the Reports include investments with an unconditional commitment to fund and may include investments where a previously conditional funding agreement has become unconditional. It may include investments that have settled or have appealable judgments until they have finally completed, and the associated income has been recognised. Investments in class actions included in the portfolio as unconditional may still be

subject to a court process, where there are competing class actions claims, to determine which case proceeds.

Past performance

Past performance is not necessarily an indication of future performance.

Omni Bridgeway's completed investment data has been reviewed by the Group's auditor as part of the full financial year audit cycle and is updated by management at the half year.

Forward looking information
